

## DURABLE STRENGTH, APPEALING VALUE

Fulton Rail™ brings a graceful, understated aesthetic to your decking projects. Made of galvanized steel, we take advantage of its workability to design and create a beautiful, panelized rail system that's fast to install and durability-enhanced for a long life.

- Panelized system for easier, faster installations
- Strong and durable galvanized steel construction
- Architectural grade powder coating provides resistance to chipping, fading and chalking
- Opening price point delivers style, durability, and value
- 15-Year Limited Warranty for consumer assurance

FULTON RAIL

Rail panel, level, 36" height	X	X
Rail panel, level, 42" height	X	X
Rail panel, stair, 36" height	X	X
Rail panel, stair, 42" height	N/A	X

*Rail panels are preassembled and include top rail, bottom rail, and balusters.*

*Drink Rail Bracket Kit is optional, provides attachment for a TimberTech decking board.*

*Posts available in 2x2 and 3x3 with caps and skirts to match.*

## DRINK RAIL ADDS CONVENIENCE & STYLE

Fulton Rail lets you add a Drink Rail—a matching or contrasting TimberTech deck board—to the standard Fulton top rail. It becomes a handy place for glasses or small items and adds extra character to a deck.
