Unrivaled real wood looks

The most convincing aesthetics with more colors and textures than any other brand

Proprietary technology

Industry-leading tech for a cooler touch and top-rated fire resistance

Sustainably made

With up to 85% recycled materials, our decking is more sustainable than wood

Shown here & front cover: Landmark Collection in Castle Gate™

# Our most realistic wood looks with unparalleled performance

**TOP-RATED FIRE RESISTANCE** Ignition Resistant designation, Class A Flame Spread Rating, and/or WUI Compliant

**SUSTAINABLE** Made in the USA from approximately 60% recycled material

**SUPER DURABLE** Highly moisture-resistant & won't splinter, crack, peel, or rot

**LOW MAINTENANCE** No sanding, staining, or sealing — ever

**FADE RESISTANT** Maintains its rich color for decades\*

**FRIENDLIER TO BARE FEET** Splinter free and up to 40% better traction than the competition

**COOL TOUCH TECHNOLOGY** Up to 30° cooler than the competition\*\*

**INDUSTRY-LEADING WARRANTIES** 50-Year Fade & Stain and Limited Lifetime Product Warranties

**DESIGN VERSATILITY** Multiwidth Decking options and heat-bending capabilities

\*Depending on environmental conditions, TimberTech Composite Deck colors may appear to change over time as part of the natural weathering process consistent with the warranty guarantees where applicable. \*\*Although TimberTech PVC Decking is cooler to the touch than many other deck board products, all decking products will get hot in the sun. Additionally, the darker the decking color, the hotter it will feel. For hotter climates, consider choosing a lighter color.

Vintage Collection® in Multiwidth Coastline®

## ADVANCED PVC

## VINTAGE COLLECTION®

### Exotic Hardwoods

This collection captures the look of sought-after premium hardwoods — with a refined wire-brushed finish and multitoneal color blending featuring highlights and lowlights.

- Complex, multitoneal colors to reflect the natural variations in exotic woods
- With an Ignition Resistant designation, Class A Flame Spread Rating, and WUI Compliance, it's the best choice for fire zones
- Design flexibility with Multiwidth Decking in narrow, standard, and wide widths for all colors

CC  
After 20 years of maintaining a redwood deck, we're looking forward to the low maintenance of TimberTech.

Landmark Collection in French White Oak®  
Classic Composite Series, Drink Rail

ADVANCED PVC

LANDMARK COLLECTION®

Crosscut Hardwoods

For a look that resembles popular hardwoods like white oak and walnut, choose this crosscut cathedral grain style with a matte finish and cascading color blending for subtle board-to-board variation.

- Cascading highlights and lowlights create dramatic coloring for unique board-to-board variation
- With an Ignition Resistant designation, Class A Flame Spread Rating, and WUI Compliance, it's the best choice for fire zones
- All colors available in standard width

Harvest Collection in Slate Gray  
Classic Composite Series in White

ADVANCED PVC

HARVEST COLLECTION®

Refined Cathedral Grain

Embrace the soft, inviting versatility of attractive cathedral grain — with varying peaks and soft, solid colors that suit a range of styles.

- Solid, soft coloring for a simple, attractive finish
- With WUI Compliance, it's a smart choice for fire zones
- Slate Gray and Brownstone available in standard & wide widths

Harvest+ Collection in Timber Gray  
RadianceRail Express® in White

ADVANCED PVC

HARVEST+ COLLECTION

Understated Cathedral Grain

Bring the character of gently worn hardwoods to your outdoor space. This collection features a beautifully aged patina for a natural, lived-in look.

- Blended coloring with subtle highlights, lowlights, and tonal variations
- Artful layering of open and cathedral grain patterns with a low-gloss finish
- Harvest+ is expected to meet WUI requirements, but final testing was pending at the time of publication; please visit TimberTech.com for the most up-to-date information
- Available regionally in standard width and thickness

Porch Collection in Mahogany  
Classic Composite Series in White

ADVANCED PVC

PORCH COLLECTION

Hardwoods & Stained Wood

Bring all the beauty and performance benefits of TimberTech Advanced PVC Decking to the porch. Our innovative tongue-and-groove installation allows for smaller gaps between boards for a traditional porch flooring look.

- Standard (3.125") available in all colors
- Wide-width (5.5") available in Coastline, Cypress, Dark Hickory, English Walnut, Mahogany, and Weathered Teak
- With WUI Compliance, it's a smart choice for fire zones
- Also available in cladding; see details at [timbertech.com/cladding](https://timbertech.com/cladding)

Composite in a class of its own,  
with unmatched wood looks

**DURABLE** Won't split, splinter, or rot

**LOW MAINTENANCE** No sanding, staining, or sealing — ever

**FADE RESISTANT** Maintains its rich color for decades\*

**MOISTURE RESISTANT** Protected from mold, mildew, and rot

**WARRANTY PROTECTION** 30- and 25-Year Limited Warranties that vary by collection\*\*

**SUSTAINABLE** Made in the USA from approximately 85% recycled material

COMPOSITE

## LEGACY COLLECTION

Hand-Scraped Finish

Choose this collection for an artisanal, craftsman-inspired aesthetic that features cascading hues and a textured, hand-scraped finish.

- Complex, multitonal coloring that cascades through each board
- Variable grain pattern for unique board-to-board variation
- Four-sided proprietary polymer cap (even in the grooves) made with zero wood fibers for superior sun and moisture resistance

Legacy Collection in Tigerwood

STANDARD	
5.36"	0.94"
5.36"	0.94"

\*Depending on environmental conditions, TimberTech Composite Deck colors may appear to change over time as part of the natural weathering process consistent with the warranty guarantees where applicable. \*\*TimberTech Prime+, Prime, and Premier Collections are covered by a 25-Year Limited Product Warranty and a 25-Year Fade & Stain Limited Warranty. The proprietary capping on the Prime+, Prime, and Premier Collections does not feature Mold Guard Technology.

Reserve Collection in Antique Leather®  
Classic Composite Series, Drink Rail

COMPOSITE

## RESERVE COLLECTION

### Reclaimed Wood

Capture the character-rich look and feel of reclaimed wood with bold, multitoneal colors and rustic cathedral grain.

- Advanced color blending with a mix of vibrant hues
- Four-sided, proprietary polymer cap (even in the grooves) made with zero wood fibers for superior sun and moisture resistance
- Square-shouldered WUI-Compliant boards available via special order

Terrain Collection in Silver Maple

COMPOSITE

## TERRAIN® COLLECTION

### Rugged Cathedral Grain

Capture a timeless, authentic wood look with the Terrain Collection. With subtle color variation and a textured grain, these boards deliver an attractive look for your outdoor oasis.

- Rugged cathedral grain pattern with embossed finish that hides everyday wear and tear
- Four-sided, proprietary polymer cap (even in the grooves) made with zero wood fibers for superior sun and moisture resistance

COMPOSITE

## PRIME+ COLLECTION®\*

### Timeless Wood Grain

Choose this collection for a classic wood aesthetic with natural, inviting colors and a textured straight grain pattern.

- Moderately color blended with a straight grain pattern
- Three-sided proprietary polymer cap made with zero wood fibers for excellent sun and moisture resistance

Terrain+ Collection in Weathered Oak  
Impression Rail Express® in Black

COMPOSITE

## TERRAIN+ COLLECTION™

### Subtle Wood Grain

With new and improved color blending technology, these boards deliver sophisticated colors with a subtle grain pattern like sanded white oak and walnut for a versatile, natural wood look.

- Curated palette of colors with low-gloss matte finishes that can be used in mixed-color patterns
- Four-sided, proprietary polymer cap (even in the grooves) made with zero wood fibers for superior sun and moisture resistance

COMPOSITE

## PRIME & PREMIER COLLECTIONS\*

### Painted Wood

Like an opaque stained or painted wood look, these collections feature vivid, solid wood stain colors. The Prime Collection features a scalloped board for a lighter weight, without compromising a secure underfoot feel.

- Subtle straight grain pattern with earthy, vivid wood stain colors
- Three-sided proprietary polymer cap made with zero wood fibers for excellent sun and moisture resistance

FASTENERS & FINISHING TOUCHES

TimberTech Fasteners are uniquely designed to work with TimberTech Decking. For the best possible installation, don't settle for anything less.

HIDDEN FASTENERS FOR GROOVED BOARDS

**CONCEALoc®**

With matte brown clips installed in between grooved boards for a hidden appearance, CONCEALoc® can be installed pneumatically with the FastenMaster TigerClaw Gun or manually using a drill. Designed exclusively for our grooved deck boards.

**EDGELoc®**

Designed exclusively for TimberTech Prime+, Prime, and Premier grooved boards, EDGELoc's nylon 12-clip collated strips and pre-set stainless steel screws make installation and create a 7/32" gap for a uniform appearance.

*For use with Prime+®, Prime, and Premier grooved boards only*

HIDDEN FASTENERS FOR SQUARE SHOULDER BOARDS

**CORTEX® FOR ADVANCED PVC**

**CORTEX® FOR COMPOSITE**

**CORTEX®**

Top-down system with material-matched plugs made of the same decking as the surface boards. The high-quality, ACQ-approved, specialty deck screws have a Torx® ttap® drive system and can be used on stairs and perimeter boards. Collated plugs now available for all decking colors\*.

**New** Now available in Terrain+  
*\*Not for use with Prime+®, Prime, or Terrain collections.*

**CORTEX® COLLATED SCREWS**

For a more comfortable installation from the standing position, Cortex Screws can now be installed through the FastenMaster PAMFast™ Tool. With its smooth, consistent drive, PAMFast fastening technology prevents jams and dramatically reduces installation time.

*PAMFast Tool sold separately.*

**SIDEloc™**

Designed exclusively for TimberTech Advanced PVC square-shoulder boards, this system features screws installed at an angle through the side of the board and into the joist for a secure hold. Use the SIDEloc™ guide for consistent 1/8" board spacing.

*Not for use with TimberTech Composite Decking*

**TIMBERTECH® PRO-TAC™ FLASHING & JOIST TAPE**

PRO-Tac Flashing and Joist Tape helps extend the life of decking substructures by resisting water penetration and protecting the lumber substructure from rot.

COLOR-MATCHED FASTENERS FOR ALL DECK BOARDS

**TOPLoc® FOR ADVANCED PVC**

**TOPLoc® FOR COMPOSITE DECKING**

**TOPLoc® FASCIA FOR ADVANCED PVC**

**TOPLoc® FASCIA FOR COMPOSITE DECKING**

**TOPLoc®**

Top-down, color-matched decking fasteners that blend in with your deck boards, fascia, and riser boards. Available for both TimberTech Advanced PVC and Composite boards.

**ALUMINUM FRAMING**

TimberTech Aluminum Framing gives your deck projects the long-lasting benefits you expect from a TimberTech deck and outperforms other framing materials.

**RISER BOARDS**

Available for all TimberTech Advanced PVC and Composite collections. Use on stairs for finished, seamless look. Advanced PVC Riser Boards can be used with Cortex plugs.

**FASCIA BOARDS**

Available in all TimberTech Advanced PVC and Composite Decking colors or White AZEK® Trim Boards. Helps to frame the perimeter of your deck for a polished look.

**DRYSpace™ WATER MANAGEMENT SYSTEM**

Make better use of the area under your deck with DrySpace, an under-deck water management system for second-story decks that collects and helps channel moisture away from the home. Made of solid extruded vinyl for durability and weather resistance.

*Not intended for use on wood or uncapped composite decking*

**TIMBERTECH® DECK CLEANER™**

Field-tested and approved specifically for all TimberTech capped decking and railing, as well as trim, moulding, and our Invite Collection furniture. The concentrated biodegradable formula removes seasonal debris like dirt, mold, and pollen, as well as everyday spills and stubborn spots.

STYLISH, SMART OUTDOOR UPGRADES

Cabana X® delivers smart, customizable outdoor spaces that remain protected from the elements. And with the innovative Cabana X MOD extensions, you can expand a covered space with ease.

PRODUCT OPTIONS

## New ALUMINUM FRAMING

TimberTech Aluminum Framing gives your deck projects the long-lasting benefits you expect from a TimberTech deck and performs better than other framing materials.

- Built to last with superior material that doesn't rot or corrode like wood or steel
- Major components are backed with a Lifetime Limited Product Warranty
- Compatible with all TimberTech Decking and Railing
- Results in an incredibly flat deck surface that will look great for years to come
- Inherently flame resistant, our Aluminum Framing comes with a Class A Flame Spread Rating, the best available

This is the cream of the crop in framing, like TimberTech is for decking. If you're looking for the #1 thing, this is the best combination I've seen.
