

# WESTERN STRUCTURES™

## CUSTOM GLULAM BY ROSBORO

*Our custom glulam division is your source for custom sizes, variable lengths, job packs, industrial uses, exterior applications, and even metric dimensions.*

Western Structures is your premier source for custom glulam. We can manufacture beams in a wide variety of appearances, grades, sizes, and shapes. Give us a call and we will help make your next project a success.

### FLEXIBILITY OF CUSTOM GLULAM

- Beams can be built-to-order based on the unique needs of the job
- Can be tailored to a wide range of structural and industrial uses
- Pressure treating of Douglas fir glulam beams can be provided to your specifications
- Alaskan Yellow Cedar beams available when a naturally durable species is preferred over treated products
- Lead times as short as 1 week for those must-have orders

### APPEARANCES OFFERED

- Architectural
- Industrial
- Framing
- Premium
- Premium Hand Select (Best)
- Rough Sawn

Rosboro is the single source manufacturer for all your glulam beam needs. When your project requires something special, we are here to help. Custom orders can be packaged with stock shipments through our extensive network of wholesale distributors.
